More than 600 stakeholders in the field of [social services](#) from across the world will come together at our 27th European [Social Services](#) Conference in Milan on 5-7 June 2019.

What?

A comprehensive three-day programme with 4 plenary sessions, 28 workshops, 10 presentations in the project forum, 4 thematic panel discussions, and an exhibition area.

27th European Social Services Conference

Striving for quality

From Quality of Care to Quality of Life

5-7 June 2019

MILAN

The #ESSC19 will explore the theme of quality in [social services](#) for all population groups and we encourage you to submit proposals on this theme – specifically:

- Quality frameworks in service planning, inspection, and assessment
- Methods to improve the quality and impact of local [social services](#)
- Co-production of services
- Coordinated and integrated services
- New technology for planning and assessment
- Evidence-based frameworks for service evaluation
- City strategies for improving service quality

Where?

Milan Marriott Hotel

Co-production Forum
