

A book club for passionate readers!

Do you have a passion for reading and would you like to meet once a month with likeminded people? Then look no further!

This new book club will meet on the third Tuesday, from 5 pm, every month at Rankin Park, Skolegade, Esbjerg. There's a limited capacity, 10-15 people, and each person will be responsible for selecting their book of the month. The vibe we're going for is cozy and informal.

The books we'll be reading:

- Fiction (the genre is up to you)
- Must be published from 2010 and onwards (so no classics)
- Each person is responsible for buying their own copy of the book

The first meeting will be on the 17th of January 2023, and the first book is chosen by me.

Please send me a private message on Facebook, or mail (helletrolle@hotmail.com) if you are interested in joining.
